Boise, ID 83720

GNR-T-12-06

RE: FCC's Annual Reporting Requirements for High-Cost Recipients Pursuant to 47  
C.F.R § 54.313

Dear Mrs. Jewell:

Citizens Telecommunications Company of Idaho d/b/a Frontier Communications of Idaho and Frontier Communications Northwest, Inc herein after referred to as "Frontier" hereby files the attached information in compliance with 47 CFR 54.313, as adopted in the FCC's comprehensive order released November 18, 2011, reforming the federal Universal Service Fund (USF) and intercarrier compensation system.<sup>1</sup>

Section 54.313 requires an eligible telecommunication carrier (ETC) receiving high-cost federal USF support to file its Section 54.313 annual reports with the FCC, the Universal Service Administrative Company (USAC), and its relevant state commission. The order set April 1, 2012, as the initial due date for the new Section 54.313 reports (Order, paragraph 581), but in a subsequent order issued on February 3, 2012, the FCC modified certain Section 54.313 filing deadlines to comply with the requirements of the federal Paperwork Reduction Act.<sup>2</sup> The effect of the February 3, 2012, order was to delay the 2012 Section 54.313 reporting requirement until further notice. On May 8, 2012, the FCC issued a Public Notice in the Federal Register announcing May 8, 2012, as the applicability date for certain provisions of Section 54.313 and notifying ETCs and other stakeholders that information filed pursuant to Sections 54.313(a)(2) through (a)(6) and (h) must be filed by July 2, 2012. The attached report for 2012 will be filed with the FCC on July 2, 2012.

<sup>1</sup> See *Connect America Fund, et al.*, W.C. Docket No. 10-90 et al., "Report and Order and Further Notice of Proposed Rulemaking," FCC 11-161 (Rel. November. 18, 2011).

<sup>2</sup> See *Connect America Fund, et al.*, WC Docket No. 10-90 et al., "Order", paragraph 1 (Rel. February 3, 2012).

The service outage information contained in Attachment A is confidential and is included in this filing, on yellow paper, in a separate sealed envelope labeled confidential.

Any questions or notifications pertaining to this filing should be directed to me at (916) 686-3588 or by email at [joe.chicoine@ftr.com](mailto:joe.chicoine@ftr.com)

Respectfully Submitted,

Joe Chicoine  
Manager, Regulatory Compliance and Reporting

Enclosures

**FRONTIER COMMUNICATIONS ANNUAL REPORT FOR CERTIFICATION AS AN ELIGIBLE TELECOMMUNICATIONS CARRIER**

In accordance with the USF/ICC Transformation Order released in this docket on November 18, 2011, clarified by the Order released on February 3, 2012, Frontier Communications Corporation (Frontier Communications) hereby files this Annual Report (Report) of its compliance with the requirements to remain an Eligible Telecommunications Carrier (ETC) in accordance with § 54.313 of the Commission's rules. The following companies, which comprise Frontier Communications, request continued certification as an ETC for purposes of receiving high cost federal Universal Service Fund (USF) support in 2012-2013, as well as any other USF support for which it is eligible:

Based on the information contained in this Report, Frontier Communications respectfully requests that the FCC grant continued designation as an ETC and make the appropriate certification to USAC so that the companies described in this Report will receive USF support in 2012-2013. In support of this Application, Frontier Communications states the following:

**1. §54.313(a)(1): Five Year Improvement Plan**

Pursuant to ¶ 7 of the February 3, 2012 Order in this docket, "ETCs that are not required by a state commission to file a quality improvement plan with the state commission are not required to file a plan with the Commission this year." Frontier has not been required by any state commission to submit a quality improvement plan and accordingly does not submit one to the Commission in 2012.

**2. §54.313(a)(2): Outage Reporting**

Please see Confidential Attachment A.

Outage reporting is not being provided for the following states because the state has not required collection of such data.

Alabama  
Arizona  
Georgia  
Illinois  
Michigan  
Mississippi  
Montana  
Nevada  
New York  
North Carolina  
North Dakota  
Ohio  
Oregon  
Pennsylvania  
South Carolina  
South Dakota  
Tennessee  
Utah  
Virginia  
Washington  
Wisconsin

**3. §54.313(a)(3): Unfulfilled Requests for Service**

Please see Attachment B.

Counts of Unfulfilled requests for service are not being provided for the following states because the state has not required collection of such data.

Alabama  
Arizona  
California  
Georgia  
Illinois  
Indiana  
Montana  
Nevada  
New York  
North Carolina  
North Dakota  
Ohio  
Pennsylvania  
South Carolina  
South Dakota  
Tennessee  
Utah  
Virginia  
Washington  
Wisconsin

**4. §54.313(a)(4): The Number of Complaints per 1,000 connections**

Please see Attachment C.

The number of complaints per 1,000 connections is not being provided for the following states because the state has not required collection of such data.

Alabama  
Arizona  
California  
Georgia  
Illinois  
Montana  
Nevada  
New York

North Carolina  
North Dakota  
Ohio  
Pennsylvania  
South Carolina  
South Dakota  
Tennessee  
Utah  
Virginia  
Wisconsin

**5. §54.313(a)(5): Certification of Compliance with Applicable Service Quality Standards and Consumer Protection Rules**

The Frontier Communications ILEC companies certify that they comply with applicable state and FCC consumer protection and service quality standards. Frontier has a Customer Proprietary Network Information (CPNI) Manual which reflects the December 2007 revisions to the FCC's CPNI rules. Frontier has also implemented an Identity Theft Prevention Program in accordance with the federal Red Flag Rules.

**6. §54.313(a)(6): Emergency Preparedness**

The Frontier Communications ILEC companies certify that the companies are able to function in emergency situations as set forth in section 54.202(a)(2). Frontier Communications ILEC companies are able to remain functional in an emergency situation through the use of back-up power to ensure functionality without an external power source. The companies' network is engineered to provide maximum capacity in order to handle excess traffic in the event of traffic spikes resulting from emergency situations.

**7. §54.313(h): Voice Rate Data**

Frontier Communications reports that pursuant to § 54.318, as modified by the Commission's February 3, 2012, and May 14, 2012, Orders, no Frontier company receiving High Cost Loop Support or High Cost Model support has end-user rates below the Commission's \$10 rate floor.

**CONCLUSION**

Based on the forgoing, Frontier Communications meets all the requirements for continued designation as an ETC. Frontier Communications therefore requests that the FCC issue an appropriate certification indicating that it is in compliance with 47 USC 254(e) and should receive all federal universal service support determined for distribution in 2013.

Signed,

Kenneth F. Mason  
Vice President, Government and Regulatory Affairs
