

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE APPLICATION)
OF VITCOM LLC FOR A CERTIFICATE) CASE NO. VIT-T-15-01
OF PUBLIC CONVENIENCE AND)
NECESSITY) ORDER NO. 33833

On May 22, 2015, Vitcom LLC applied to the Commission for a Certificate of Public Convenience and Necessity (CPCN) to provide facilities-based and local exchange services in Idaho. For over two years, Staff has attempted to follow up on the Application with the Company, and has received no response. On July 20, 2017, Staff recommended that the case be closed.

After reviewing the record, we note that this case has been inactive for over two years. As the Company has not responded to requests for further information, it thus appears that the Company no longer wishes to pursue the requested CPCN. Likewise, the Commission has determined that it is appropriate to issue an Order dismissing the Application without prejudice and closing Case No. VIT-T-15-01.

ORDER

IT IS HEREBY ORDERED that Case No. VIT-T-15-01 is dismissed without prejudice and the case is closed.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 3rd
day of August 2017.

PAUL KJELLANDER, PRESIDENT
