

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

**IN THE MATTER OF THE 2017 REVIEW
OF THE IDAHO UNIVERSAL SERVICE
FUND**

)
) **CASE NO. GNR-T-17-05**
)
) **ORDER NO. 33999**
)

In Order No. 33951, the Commission opened a generic docket to allow interested stakeholders to provide insight and commentary on the continued viability of the Idaho Universal Services Fund. *See* Order Nos. 33851 and 33951. The Commission ordered a schedule to be adopted, including two public workshops and a deadline for interested stakeholders to submit position papers. *See* Order No. 33951 at 2. The first public workshop occurred on Wednesday, January 17, 2018, and interested stakeholders submitted position papers by January 31, 2018. *See id.*

Commission Staff has conveyed that it is summarizing and reporting on the stakeholders' positions and its own analysis. As a result, Staff proposed that the second public workshop, currently scheduled for February 28, 2018, be cancelled. Staff also proposed to file its summary and report with the Commission on April 4, 2018, and set a stakeholder reply deadline of 21 days. Staff contacted all stakeholders who filed position papers and attended the first workshop, proposing the above outlined procedure, and no objection was received.

DISCUSSION

The issues presented were brought to the Commission at its February 20, 2018, decision meeting. Having reviewed the record, and noting that no one has objected to Staff's proposal, we find it reasonable to cancel the February 28, 2018, workshop and impose an April 4, 2018, deadline for Staff to file its summary and report, with a 21-day deadline (April 25, 2018) for interested stakeholders to reply.

NOTICE OF AMENDED SCHEDULE

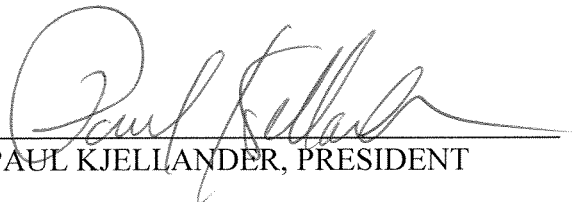

YOUR ARE HEREBY NOTIFIED that the procedure and schedule discussed above is adopted. Specifically, the February 28, 2018 workshop is cancelled, and the following deadlines are set:

DATE	ACTIVITY
April 4, 2018	Staff's summary and report deadline
April 25, 2018	Stakeholders' reply deadline

ORDER

IT IS HEREBY ORDERED that the February 28, 2018 workshop is cancelled, and the above-referenced schedule is adopted.

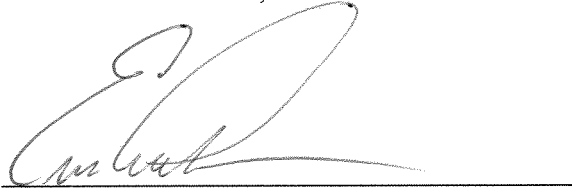

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this *28th* day of February 2018.
