Schweitzer Basin Water seeks to serve Bonner County ski resort

BOISE (July 17, 2015) – The Idaho Public Utilities Commission is taking comment through August 20 on an application by Schweitzer Basin Water, LLC., for a certificate to operate as a public water utility in Bonner County.

Schweitzer is a privately-owned water system serving a residential area at the Schweitzer Ski resort with approximately 30 to 40 full-time residents and up to 900 seasonal residents. Schweitzer's water system includes 431 hookups and 75 connections and utilizes four wells, five reservoirs, and more than six miles of distribution system with seven pressure zones. There are no metered customers, so Schweitzer's customers are billed a flat monthly rate.

Comments are accepted via e-mail through August 20, by accessing the commission's Website at www.puc.idaho.gov and clicking on "Case Comment Form," under the "Water" heading. Fill in the above case number, SCH-W-15-01, and enter your comments. Comments can also be mailed to P.O. Box 83720, Boise, ID 83720-0074 or faxed to (208) 334-3762.

A copy of the company's application, other documents related to the case and customer comments received so far can be found on the commission's Web site. Click on "Open Cases" under the "Water" heading and scroll down to the above case number.
