

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

**IN THE MATTER OF THE ASSESSMENT)
OF RAILROAD CORPORATIONS FOR THE) CASE NO. F-2018-2
SPECIAL REGULATORY FEES PAYABLE)
TO THE COMMISSION FOR FISCAL YEAR) ORDER NO. 34032
2019)**

In March 2018, the Idaho Legislature passed and the Governor signed Senate Bill 1340 appropriating a total of \$6,682,600 to the Commission for operations during Fiscal Year (FY) 2019 (July 1, 2018, to June 30, 2019). This appropriation represents \$6,137,400 for railroad and public utility activities; \$325,900 for federal grants; and \$219,300 for indirect funds. This Order assesses the railroads their share of the total appropriation.

For FY 2017, there was a carry-over balance of \$33,000 for railroads. After incorporating the carry-over, the calculated assessment is \$261,900 for FY 2019 railroad operations.

The reported gross intrastate revenues from railroad operations in Idaho totaled \$26,201,792.82 for calendar year 2017. This is a decrease of about \$435,000 (1.6%) from last year's reported revenues. Accordingly, the proportionate share of each railroad's fee is to be assessed at 0.9995%. In no case shall the assessed regulatory fee be less than \$50. Idaho Code § 61-1004(4).

FINDINGS OF FACT

In accordance with Idaho Code §§ 61-1001 through 61-1008, the Commission is authorized to assess \$261,900 for supervising and regulating the railroads subject to our jurisdiction.

The total reported Idaho gross intrastate revenues for all railroads for the 2017 calendar year amounts to \$26,201,792.82.

The proportionate assessment for each railroad corporation is 0.9995% of its Idaho gross operating revenue derived from intrastate railroad corporation business for the 2017 calendar year. In no case shall the assessment be less than \$50.

ORDER

IT IS THEREFORE ORDERED, except as provided in the following paragraph, that each railroad corporation operating within the State of Idaho and subject to the jurisdiction of this Commission shall pay to the Idaho Public Utilities Commission for the 2019 fiscal year a special regulatory fee amounting to 0.9995% of such railroad's gross operating revenues derived from its intrastate business in Idaho for the 2017 calendar year.

IT IS FURTHER ORDERED that if the fee thus determined shall be less than \$50, then such railroad corporation shall pay to the Commission the minimum of \$50 as prescribed by law. Idaho Code § 61-1004(4).

IT IS FURTHER ORDERED that at least one-half of such regulatory fee shall be paid to the Commission on or before May 15, 2018, and any remaining one-half shall be paid on or before November 15, 2018. Railroad corporations may pay their entire annual regulatory fee no later than May 15, 2018.

IT IS FURTHER ORDERED that if the payment shall not be made on or before the due dates, the installment or portion thereof so due shall bear interest at the rate of six percent (6%) per annum until such time as the full amount of the installment shall have been paid and such delinquent payment shall be subject to an action in the name of the State for collection.

THIS IS A FINAL ORDER. Any railroad objecting to the assessment prescribed in this Order must file a written objection with the Commission no later than May 15, 2018. Idaho Code § 61-1007.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 20th
day of April 2018.

PAUL KJELLANDER, PRESIDENT

KRISTINE RAPER, COMMISSIONER

ERIC ANDERSON, COMMISSIONER
