Ms. Jean D. Jewell
Idaho Public Utilities Commission
472 W. Washington Street
Boise, Idaho 83702

Dear Ms. Jewell:

RE: AVU-E-15-05/AVU-G-15-01
Electric and Natural Gas Fixed Cost Adjustment Mechanism
Quarterly Report

Attached for filing with the Commission is an electronic copy of Avista's Electric and Natural Gas Fixed Cost Adjustment Mechanism Quarterly Report.

The report consists of spreadsheets showing the monthly revenue deferral calculations for April through June 2016. In addition, Avista has provided illustrative revenue deferral calculations for the non-residential electric group on a rate schedule basis as required in the Settlement Stipulation approved by the Commission in the above referenced docket. The other electric and natural gas groups consist of only one rate schedule each and therefore would not change under the rate schedule assumption.

Also included in the report are the monthly general ledger balances resulting from the deferral and amortization activity during the second quarter of 2016.

Questions regarding this filing should be directed to Tara Knox at (509) 495-4325.

Sincerely,

Patrick Ehrbar
Senior Manager, Rates and Tariffs
Enc.

Avista Corporation Fixed Cost Adjustment Mechanism
Idaho Jurisdiction
Quarterly Report for 2nd Quarter 2016

NOTES

1) The following table shows how the decoupled revenue per customer has tracked with use per customer for the 1st and 2nd quarters of 2016. The similarity of the percentage change indicates that the mechanism is working as intended.

Summarized Quarterly and Year to Date Use per Customer and Fixed Cost Adjustment Revenue Per Customer
Change versus Authorized

	Q1	Q2	Q3	Q4	YTD Average	%
Electric Residential						
Change in Use per Customer	(270)	(222)			(492)	-8.6%
Change in FCA Revenue per Customer	-\$15.09	-\$17.37			-\$32.46	-8.9%
Deferral per Average Customer	\$15.09	\$17.37			\$32.46	
Electric Non-Residential						
Change in Use per Customer	(705)	(407)			(1,112)	-4.6%
Change in FCA Revenue per Customer	-\$34.63	-\$31.18			-\$65.81	-4.8%
Deferral per Average Customer	\$34.63	\$31.18			\$65.81	
Natural Gas Residential						
Change in Use per Customer	(38)	(32)			(70)	-16.8%
Change in FCA Revenue per Customer	-\$17.62	-\$15.59			-\$33.21	-16.7%
Deferral per Average Customer	\$17.62	\$15.59			\$33.21	
Natural Gas Non-Residential						
Change in Use per Customer	(809)	(586)			(1,395)	-15.4%
Change in FCA Revenue per Customer	-\$119.10	-\$135.02			-\$254.12	-12.5%
Deferral per Average Customer	\$119.10	\$135.02			\$254.12	

2) If the FCA mechanism had been determined by schedule the electric residential and both natural gas groups would not change. The electric non-residential group would consist of three separate rate schedule groups. Pages 9 through 11 of this report show the illustrative calculations for the electric non-residential group on a by schedule basis.

3) The contra asset accounting shown on page 7 is for financial reporting purposes only. Generally Accepted Accounting Principles allow revenue recognition from alternative revenue programs up to the amount expected to be collected within 24 months following the end of the annual period in which they are recognized. Due to the 3% annual rate increase limitation a portion of the 2016 natural gas surcharge may not be fully recovered by 12/31/2018 and therefore is not recognizable as income for financial reporting purposes in 2016. The income statement impact of the contra deferral will be eliminated for normalized Idaho results reporting.
