Name of Utility Company: Avista
Acknowledge public record: True

Comment: Avista filed an application with the IPUC on Jun 1, 2015 to increase residential service rates on schedule 1 by 6.9% this year and 6.7% next year. This is outrageous for us as retired, fixed-income folks. The city of Orofino already has a steep 3% tax on Avista's electric bills which is among the highest tax in Idaho. Please deny this rate increase and give us seniors a little breathing room.

Respectfully,
Steve Painter
