RE: Case No. AVU-E-22-15 – Reply Comments of Avista Utilities

Dear Ms. Noriyuki:

Avista Corporation's, doing business as Avista Utilities' (Avista or the Company) would like to thank Commission Staff for their comments and recommended approval of the Company's updated load and natural gas forecast. Avista supports Staff's recommendation that the project characteristics of the Chelan PUD be corrected in the IRP model as described in Staff's comments issued December 5, 2022.

Sincerely,

/s/ Shawn Bonfield
