Comment: "Upon seeing your Proposed Rate Increases effective 9/1/23 I was shocked. I understand the need for reasonable rate increases, but 14.7% plus an additional rate increase in 2024 of 4.5%? You've included in that Proposed increase nearly doubling our customer charge from \$8.00/month to \$15.00/month with another increase of \$5.00/month bringing it to \$20.00/month in 2024! I believe these proposed increases are extremely high and will hurt a lot of people already struggling to pay their bills in our County. I hope Avista will do everything they can to reduce these increases. Thank you. NOTE: BEFORE POSTING MY COMMENTS, COULD YOU PLEASE REMOVE MY PHONE # & EMAIL? :)"
