Comment: "The request by Avista is a 286 % increase on top of a 6.2 % LY base rate along with a large increase in electrical and smaller in Nat Gas (LY + 16.7). Understand that inflation effects companies as well as individuals, however families have to economize and companies should also. I have seen no information from Avista explaining their request. We rely on you to require reasonable increases. Please deny any increase that is not supported with accurate and verified information. Families are depending on you. Respectfully yours, Carl Fagge"
