)	

On April 23, 2024, the Commission issued Order No. 36157 in Case No. AVU-E-23-15. The following changes should be made to Order 36157:

Starting Page 1, paragraph 5:

READS:

As noted by Staff, despite this error, the avoided cost rate paid by Clearwater under the Schedule 25P Block 2 Generation Load rate will offset the absence of capacity payments for the one-month period in December 2026.

SHOULD READ:

Despite this error, Staff recommended approval of the avoided cost rate because the rate will be offset by the Schedule 25P Block 2 Generation Load rate Clearwater pays Avista.

DATED at Boise, Idaho this 2nd day of July 2024.

Monica Barrios-Sanchez
Commission Secretary
