Idaho Forest Group LLC (“IFG”) petitioned to intervene in this case on August 19, 2025, pursuant to Idaho Public Utilities Commission Rules of Procedure 71-75, IDAPA 31.01.01.071-.075.

FINDINGS OF FACT

On August 25, 2025, Northern Lights, Inc., an Idaho non-profit corporation and electric cooperative and the City of Bonners Ferry, an Idaho municipal corporation (collectively, the “Applicants”) filed an objection to IFG’s petition to intervene.

On August 20, 2026, the Applicants filed to withdraw their motion objecting to the petition to intervene.

We therefore find Applicants’ August 25, 2025, motion to be moot.

We further find that based on the pleadings and other documents filed in this case, intervention by this party would serve the purposes of intervention as described by Rule 74 and should be granted.
