IDAHO PUBLIC UTILITIES COMMISSION

2011 NOV 31 AM 8:26

DEAR COMMISSIONERS,

SINCE MOVING TO PAIOMP, IDAHO SIX YEARS AGO IDAHO POWER HAS BEEN GRANTED HIGHER AND HIGHER UTILITY RATES (THREE TIMES IN ONE YEAR).

WHEN THE COST OF FUEL GOES DOWN THEIR RATES GO UP!

WHEN HIGH WATER IS AVAILABLE RATES GO UP!

WHEN A TAX SUPPORTED BUILDING GOES UP THAT IS MORE ENERGY EFFICIENT THEY GET A REWARD IN THE FORM OF A CHECK AS THEY DO NOT PAY PROPERTY TAXES!

AS A SENIOR ON A FIXED INCOME WHO INSULATES + TRIES TO GET MORE ENERGY EFFICIENT THEY GIVE ME A TAX CREDIT. I DON'T GET ENOUGH TO USE THIS TAX CREDIT + I WOULDN'T LIVE LONG ENOUGH TO AMORTIZE TO OFFSET THE COST.

THIS LIST CAN GO ON AND ON. I AND MY SENIOR (AND NON SENIOR) FRIENDS HAVE STANDBY TO CALL YOU THE "RUBBER STAMP APPROVAL" COMMISSION FOR IDAHO POWER.

PLEASE, PLEASE, PLEASE. NO MORE INCREASES.

John Lewis
