

by associates with rates of \$180 or \$185/hour, which is also reasonable and consistent with market rates. I have written off time and performed work with no charge in light of ICEA's limited financial resources.

3. Givens Pursley worked closely with ICEA to limit the fees incurred in this matter. ICEA is seeking recovery of fees from Givens Pursley in the amount of approximately \$15,000. Again, this amount reflects significant time written off and performed at no charge in light of ICEA's limited financial resources. A budget of two or three times this amount would have been reasonable for the case.

4. Exhibit 1 contains an itemized schedule of time spent and legal fees incurred in representing ICEA in this matter for which ICEA seeks recovery as intervenor funding. The time and fees were reasonably incurred given the complexity of the issues involved in the matter.
