**RE: Idaho Power New Schedules For Customers With On-Site
Generation**

Dear Commissioners:

Enclosed is the original and seven copies of Idaho Conservation League's Petition to Intervene regarding Idaho Power's proposed new schedules for customer with on-site generation, case number IPC-E-17-13. Our Certificate of Service is enclosed as well.

If there are any questions regarding the enclosed documents, please contact Matt Nykiel at (208) 265-9565 or via email at mnykiel@idahoconservation.org.

Sincerely,

Matthew Nykiel
Conservation Associate

IDAHO PUBLIC
UTILITIES COMMISSION

Attorney for the Idaho Conservation League

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF IDAHO POWER)	CASE NO. IPC-E-17-13
COMPANY'S APPLICATION FOR)	
AUTHORITY TO ESTABLISH NEW)	
SCHEDULES FOR RESIDENTIAL AND)	PETITION TO INTERVENE OF
SMALL GENERAL SERVICE CUSTOMERS)	IDAHO CONSERVATION LEAGUE
WITH ON-SITE GENERATION)	

The Idaho Conservation League ("ICL") petitions the Commission to intervene in this matter on behalf of itself and its members who are customers of Idaho Power Company ("Idaho Power") pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name of this intervenor is:

Matthew A. Nykiel
Idaho Conservation League
P.O. Box 2308
102 S. Euclid #207
Sandpoint, ID 83864
Ph: (208) 265-9565
Fax: (208) 265-9650
mnykiel@idahoconservation.org

In the interest of conserving natural resources and reducing the costs to all parties, please provide hard copies of pleadings, testimony, and briefs only to the name and address above. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IDAPA 31.01.01.063.02-03.

2. ICL's direct and substantial interest in this proceeding arises from the impact to our members served by Idaho Power and our long-term role advocating for public values. As Idaho's largest state-based conservation organization, ICL represents 25,000 supporters, many of whom are residential customers of Idaho Power, as well as participate in net metering. ICL, as an entity, is a small commercial customer of Idaho Power and participates in Idaho Power's net metering program by generating electricity from solar panels installed on our Boise office roof. In addition, ICL and our supporters have an interest in responsibly expanding renewable energy in Idaho,

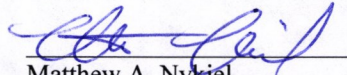

while ensuring Idaho Power's electric system provides reliable, fair-priced service. ICL brings a unique and valuable perspective to this proceeding because our members are customers of Idaho Power who support renewable energy. ICL's intervention will represent our supporters' interest in fair rates that promote and encourage renewable energy. ICL's intervention will not unduly broaden the issues in this proceeding.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependent on the nature and effect of other evidence in this proceeding. ICL has not fully determined the specific positions it will take or the relief it will seek. ICL seeks to intervene for purposes of protecting its interests as they arise. ICL may seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 21st day of August 2017

Respectfully submitted,

Matthew A. Nykiel
Idaho Conservation League
