IDAHO PUBLIC
UTILITIES COMMISSION

3. My current hourly rate for legal services in public utility cases \$250.00, which I believe to be reasonable in light of my knowledge and experience.
4. For the purpose of this case I have reduced my hourly rate to \$200.00, taking into account the SRA Intervenor's limited financial resources and the public interest nature of the representation.
5. Attached hereto and incorporated herein by reference as Exhibit A is an itemized schedule of time expended and costs incurred in the representation of the SRA Intervenor's in this matter. All of the time and costs were reasonably incurred given the complexity of the issues involved in the matter, which included, but was not solely limited to:
 - a. the preparation of pleadings,
 - b. review of discovery responses,
 - c. participation in conferences with intervening parties,
 - d. preparation of direct and rebuttal testimony of the SRA Intervenor's expert witness,
 - e. Review of all parties direct, rebuttal and surrebuttal prefiled testimony,
 - f. Attendance at the public hearing at the Commission in Boise, Idaho,
 - g. Review of written comments filed by the public,
 - h. Preparation for the technical hearing in this matter, and
 - i. Participation in the technical hearing for this matter at the Commission on March 8-9, 2018.
