RECEIVED
2018 OCT 31 PM 2:29
IDAHO PUBLIC
UTILITIES COMMISSION

Attorney for the Idaho Conservation League

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE)	
APPLICATION OF IDAHO POWER)	CASE NO. IPC-E-18-15
COMPANY TO STUDY THE COSTS,)	
BENEFITS, AND COMPENSATION OF)	PETITION TO INTERVENE OF THE
NET EXCESS ENERGY SUPPLIED BY)	IDAHO CONSERVATION LEAGUE
CUSTOMER ON-SITE GENERATION)	

COMES NOW the Idaho Conservation League ("ICL") and hereby requests leave to intervene in the above captioned matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name of this intervenor is:

Benjamin J. Otto
Idaho Conservation League
710 N. 6th st.
Boise, Idaho 83702
Ph: (208) 345-6933 x 12
Fax: (208) 344-0344
botto@idahoconservation.org

Please provide copies of all pleadings, production requests, production responses, Commission orders, and other documents to the name and address above. In the interest of conserving natural resources and reducing the costs to all parties, please provide hard copies of pleadings, testimony, and briefs only. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IPUC Rules 31.01.01.063.02-03.

2. Idaho Conservation League claims a direct and substantial interest in this proceeding as a customer and on behalf of our members who are customers of Idaho Power and desire equitable access to clean energy options. As Idaho's largest state-based conservation organization, we have approximately 11,000 members most of whom are residential customers of Idaho Power. ICL and our members have a long-standing interest in ensuring utility rates and programs are fair, just, and reasonable while expanding access to Idaho's clean resource options. ICL intervention here will focus on the full range of costs and benefits that influence the value customer-owned generation brings to Idaho Power's system and thus will not unduly broaden the issues.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. If necessary ICL may introduce evidence, be heard in argument, and call, examine, and cross-examine witnesses. ICL intends to seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 31st day of October 2018.

Respectfully submitted,

Benjamin J. Otto
Idaho Conservation League
