THE COSTS, BENEFITS, AND)	
COMPENSATION OF NET EXCESS)	
ENERGY SUPPLIED BY CUSTOMER ON-)	ORDER NO. 34283
SITE GENERATION)	

On March 13, 2019, Northwest Energy Coalition (NWECC) filed a late petition to intervene in the proceeding. No one opposed NWECC’s petition. Having reviewed the record, we conditionally grant NWECC’s petition as follows.

FINDINGS

Commission Order No. 34189 set a November 30, 2018 deadline for petitions to intervene. NWECC filed its petition to intervene on March 13, 2019. NWECC’s petition is, therefore, untimely.

Untimely petitions to intervene are governed by Rules 71-75, IDAPA 31.01.01.071-.075. Based on the record, we find that NWECC has shown good cause for the untimely filing, and that it has a direct and substantial interest in this proceeding and will not unduly broaden the issues. We thus find it reasonable to grant NWECC’s untimely petition to intervene on the condition that NWECC not delay, disrupt, or unduly broaden the issues in this proceeding. We note that, per Rule 73, NWECC is bound by all prior orders and notices issued in the case.

ORDER

IT IS THEREFORE ORDERED that NWECC’s petition to intervene is granted on the conditions specified above.

IT IS FURTHER ORDERED that all parties in this proceeding serve all papers hereafter filed in this matter on all parties of record. This Intervenor is represented by the following for purposes of service:
