Attorneys for Idaho Clean Energy Association

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE PETITION
 OF IDAHO POWER COMPANY TO
 STUDY THE FIXED COSTS OF
 PROVIDING ELECTRIC SERVICE TO
 CUSTOMERS

Case No. IPC-E-18-16

**AFFIDAVIT OF PRESTON N. CARTER IN
 SUPPORT OF IDAHO CLEAN ENERGY
 ASSOCIATION, INC.'S PETITION FOR
 INTERVENOR FUNDING**

STATE OF IDAHO)
) ss.
 County of Ada)

Preston N. Carter, being first duly sworn on oath deposes and states as follows:

1. I am the attorney for the Idaho Clean Energy Association, Inc. ("ICEA") in the this proceeding, and I make this Affidavit based on my own knowledge.

2. I have been licensed to practice law continuously in Idaho since 2010. My practice is in the area of administrative and regulatory law. For the purpose of this case I have charged a rate of \$240, which is a significant discount from my standard hourly rate, taking into account ICEA's limited financial resources and the public interest nature of the representation.

3. This case involved a significant commitment of time and resources from ICEA.

ORIGINAL

4. Givens Pursley worked closely with ICEA to limit the fees incurred in this matter. ICEA is seeking recovery of fees from Givens Pursley in the amount of \$8,000. Again, this amount reflects significant time written off and performed at no charge in light of ICEA's limited financial resources. In my opinion, a budget of two or three times this amount would have been reasonable for the case.

5. Exhibit 1 contains an itemized schedule of time spent and legal fees incurred in representing ICEA in this matter for which ICEA seeks recovery of intervenor funding. The time and fees were reasonably incurred given the complexity of the issues involved in this matter
