Subject: Comment re: Idaho Power's 2020 Electric IRP, Case No. IPC-E-19-19
Date: Friday, February 12, 2021 9:14:00 PM

Dear Idaho Public Utilities Commission:

I am an Idaho Power customer and I support clean energy because we have waited 3 years to retire all purchases of coal powered and natural gas turbine generators to our state. The year 2045 is way too late to make Idaho Power a clean generator. You have the means and capacity to make this happen 10 years earlier. Please move faster.

Regards,
Roger Pritiken
