Re: Case No. IPC-E-19-28
Jeff Comer vs. Idaho Power Company
Petition for Reconsideration

Dear Ms. Hanian:

Idaho Power Company ("Idaho Power") became aware this morning that a Petition for Reconsideration ("Petition") had been filed on December 2, 2019, in this matter. Idaho Power was not served with the Petition as required by Idaho Public Utility Commission ("Commission") Rule of Procedure 44 and is uncertain of the petitioner's identity.

If the Commission accepts the unsigned Petition posted on the Commission's website for further process, Idaho Power requests that the petitioner's identity be established and that the Company be afforded a reasonable opportunity to respond to the Petition's substantive merits in excess of the seven days set forth in RP 331.

Very truly yours,

Lisa D. Nordstrom
