COMPANY’S APPLICATION FOR)
AUTHORITY TO MODIFY SCHEDULE 84’S) AMENDED NOTICE OF
METERING REQUIREMENT AND TO) APPLICATION
GRANDFATHER EXISTING CUSTOMERS)
WITH TWO METERS)
) ORDER NO. 34746
)

On June 19, 2020, Idaho Power Company (“Idaho Power” or “Company”) filed an Application requesting Commission authorization to: 1) replace the present two-meter requirement in Schedule 84 with a single-meter requirement as of December 1, 2020, 2) make customers who sign up for Schedule 84 on or after December 1, 2020 subject to any future Commission-approved changes to the Schedule 84 billing methodology and compensation structure, and 3) grandfather customers who have applied to take service under Schedule 84 before December 1, 2020 to the present terms in Schedule 84 for 10 years.

On July 17, 2020, the Commission issued a Notice of Application and Notice of Intervention Deadline. Order No. 34728.

The Commission now issues this Amended Notice of Application updating the proposed definition of existing customer to better reflect the Company’s Application. All other aspects of Order No. 34728 remain the same.

AMENDED NOTICE OF APPLICATION

YOU ARE HEREBY NOTIFIED that the Company proposes to define existing customers as any customer who: 1) has interconnected a two-meter on-site generation system to the Company’s system prior to December 1, 2020, or; 2) has submitted an application to interconnect a two-meter on-site generation system to the Company’s system prior to December 1, 2020 and who proceeds to successfully interconnect to the Company’s system within one year of their date of application. Further, any customer that applies after June 19, 2020, must demonstrate a financial commitment for a two-meter system prior to December 1, 2020 and successfully interconnect within one year. *See* Application at 6.

ORDER

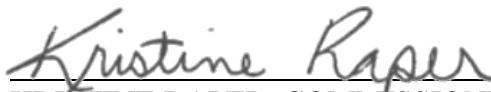

IT IS HEREBY ORDERED that the above paragraph replaces and supersedes the paragraph describing the Company’s proposed definition of existing customer in Order No. 34728.

IT IS FURTHER ORDERED that parties continue to comply with Order No. 34602, issued March 17, 2020. All pleadings should be filed with the Commission electronically and shall be deemed timely filed when received by the Commission Secretary. *See* Rule 14.02. Service between parties should also be accomplished electronically. Voluminous discovery-related documents may be filed and served on CD-ROM or a USB flash drive.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 5th day of August, 2020.
