NOTICE OF TELEPHONIC PUBLIC HEARING

YOU ARE HEREBY NOTIFIED that the Commission’s Rules of Modified Procedure contemplate that a case will be processed by written submissions without the need for a public hearing. However, the Commission finds good cause to schedule a public hearing in this case because of customer interest in net metering and the significant investments made by individuals with on-site generation systems.

YOU ARE HEREBY NOTIFIED that, after public workshops have been held, the Commission will conduct a telephonic public customer hearing on **TUESDAY, OCTOBER 13, 2020 at 6:00 p.m. (MDT)**. Persons wishing to offer their testimony telephonically or listen to the proceedings may dial **1-800-920-7487** at the designated time and enter the passcode **6674832#**

when prompted. Those planning on testifying are encouraged to start calling into the hearing at 5:30 p.m. (MDT).

YOU ARE FURTHER NOTIFIED that in order to identify callers and manage the hearing efficiently, persons interested in testifying at the public hearing are encouraged to contact Adam Rush at adam.rush@puc.idaho.gov or at 1-208-334-0339 and provide their name and the telephone number on which they will be calling in to the hearing. Persons wishing to testify are encouraged to contact Mr. Rush with this information no later than 4:00 p.m. (MDT) on Tuesday, Oct. 13, 2020.

YOU ARE FURTHER NOTIFIED that the purpose of this telephonic public hearing is to provide customers the opportunity to comment on the Company's Application.

YOU ARE FURTHER NOTIFIED that all hearings in this matter will be held in facilities meeting the accessibility requirements of the Americans with Disabilities Act ("ADA"). Persons needing the help of a sign language interpreter or other assistance in order to participate in or to understand testimony and argument at a telephonic public hearing may ask the Commission to provide a sign language interpreter or other assistance at the hearing.
