Subject: Speak up for a resilient Idaho!
Date: Wednesday, March 31, 2021 6:31:49 PM

Dear Idaho Public Utilities Commission Commission Secretary,

Thank you for the opportunity to provide comments.

The energy sector needs to invest in reducing the negative impacts of climate change in Idaho.

I urge the Idaho Public Utilities Commission to support Idaho Power's wildfire mitigation plan and help prepare Idaho for the future impacts of climate change.

Regards,
Derek Gendvil

Dear Idaho Public Utilities Commission Commission Secretary,

Thank you for the opportunity to provide comments on Idaho Power's wildfire mitigation plan.

I am concerned about the severity and increase in wildfires across the West.

Please be proactive for the future of Idaho and support Idaho Power's wildfire mitigation plan.

Regards,
Jennifer Hershey
