Attorney for the Idaho Conservation League

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF IDAHO)	CASE NO. IPC-E-21-12
POWER COMPANY'S)	
APPLICATION FOR A)	PETITION TO INTERVENE OF THE
DETERMINATION)	IDAHO CONSERVATION LEAGUE
ACKNOWLEDGING ITS NORTH)	
VALMY POWER PLANT EXIT)	
DATE)	

COMES NOW the Idaho Conservation League ("ICL") and hereby requests leave to intervene in the above captioned matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name of this intervenor is:

Benjamin J. Otto
Idaho Conservation League
710 N. 6th st.
Boise, Idaho 83702
Ph: (208) 345-6933 x 112
Fax: (208) 344-0344
botto@idahoconservation.org

Please provide copies of all pleadings, production requests, production responses, Commission orders, and other documents to the name and address above. In the interest of conserving natural resources and reducing the costs to all parties, please provide hard copies of pleadings, testimony, and briefs only. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IPUC Rules 31.01.01.063.02-03.

2. Idaho Conservation League claims a direct and substantial interest in this proceeding as a customer and on behalf of our members who are customers of Idaho Power. As Idaho's largest state-based conservation organization, we have approximately 11,000 members most of whom are residential customers of Idaho Power. ICL's Boise headquarters is a Schedule 9 Idaho Power customer and our Ketchum field office is a Schedule 7 customer. ICL has sought the optimal date for Idaho Power to exit Valmy for many years as a member of the Integrated Resource Plan Advisory Committee and a party to the Settlement in IPC-E-16-24 that lead to Idaho Power's North Valmy Framework Agreement. ICL intervention here will respond to Idaho Power's proposal and analysis in this Application and thus will not unduly broaden the issues.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. If necessary ICL may introduce evidence, be heard in argument, and call, examine, and cross-examine witnesses. ICL intends to seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 21st day of May 2021.

Respectfully submitted,

/s/ Benjamin J Otto

Idaho Conservation League
