CUSTOMER ON-SITE GENERATION)	

COMES NOW ABC Power Co. LLC, an Idaho based energy company, and hereby requests leave to intervene in the above captioned matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073, and to appear and participate herein as a party, and as grounds therefore states as follows:

1. The name and address of the intervenor is:

Ryan Bushland
ABC Power Company LLC
184 W. Chrisfield Dr.
Meridian, ID 83646
Telephone: (208) 509-8998

Mr. Bushland is a Principal of ABC Power Company LLC. ABC Power is a limited liability company operating in Idaho. Pursuant to IDAPA rule 43 Mr. Bushland can represent ABC Power Company LLC as an officer of the corporation in this administrative proceeding to design a study of distributed values.

Copies of all pleadings, production requests, production responses, Commission orders and other documents should be provided as noted above.

2. This Intervenor, ABC Power Company LLC, is a company representing its potential customers, primarily Idaho residential and commercial property owners and claims direct and substantial interest in this proceeding in that this filing is the first in a series that may initiate changes in rates and requirements that may negatively affect their participation in on-site generation. Intervenor status is necessary to protect our customer interests in protecting and promoting private generation ownership in Idaho.

3. ABC Power Company LLC intends to participate herein as a party and, if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

WHEREFORE, ABC Power Company LLC respectfully requests that the Commission grant this petition to intervene and to fully participate in these proceedings.

DATED this 18th day of August, 2021

Ryan Bushland, Principal
ABC Power Company LLC
