Mr. Stanton is the Principal of Comet Energy LLC. Comet Energy is a limited liability company operating in Idaho. Pursuant to IDAPA rule 43 Mr. Stanton can represent Comet Energy LLC as an officer of the corporation in this administrative proceeding to design a study of distributed values.

Copies of all pleadings, production requests, production responses, Commission orders and other documents should be provided as noted above.

2. This Intervenor, Comet Energy LLC, is a company representing its employees and customers, primarily Idaho residential solar owners and claims direct and substantial interest in this proceeding in that this filing is the first in a series that may initiate changes in rates and requirements that may negatively affect their participation in on-site generation. Intervenor status is necessary to protect our customer interests in protecting and promoting solar generation in Idaho.

3. Comet Energy LLC intends to participate herein as a party and, if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

WHEREFORE, Comet Energy LLC respectfully requests that the Commission grant this petition to intervene and to fully participate in these proceedings.

DATED this 18th day of August, 2021

George Stanton, Principal
Comet Energy LLC
