

Copies of all pleadings, production requests, production responses, Commission orders and other documents should be provided as noted above.

2. This Intervenor, IdaHydro is a confederacy of Idaho small hydroelectric producers joined in a trust for mutual benefit, consisting of approximately 90 MW of capacity produced by 33 small hydroelectric plants. All its members currently sell electric power and energy to Idaho Power pursuant to multiple contracts and have the potential to sell additional electric power and energy at other possible cogeneration and small power production locations in Idaho. IdaHydro members all have Surrogate Avoided Resource pricing and Schedule 72 operation and maintenance. Therefore, IdaHydro claims a direct and substantial interest in this proceeding in that the prices it receives for electrical sales and costs it pays to Idaho Power may be affected by the outcome of this proceeding.

3. IdaHydro intends to participate herein as a party and, if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

4. Without the opportunity to intervene herein, this Intervenor would be without any means of participation in this proceeding, which may have a material impact on the prices it receives for electric sales and costs it pays to Idaho Power.

//

WHEREFORE, IdaHydro respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate and to fully participate in these proceedings.

DATED this 2nd day of July 2021.

C. Tom Arkoosh
