kilowatt-hour credit to energy the customer uses in a subsequent billing period. This process is called “net metering.”

YOU ARE FURTHER NOTIFIED that the Company has provided a draft of the scope of the comprehensive on-site generation study. It is attached to the Application as Attachment No. 1 for the public, intervenors, and Staff to review and provide input.

YOU ARE FURTHER NOTIFIED that the Company recommends a “study design” phase and a “study review” phase. As part of the “study design” phase, the Company recommends that Staff and the Company “host public workshops to share information and perspectives on net-metering program design with the public and to listen to customer concerns and input.”<sup>2</sup> The Company also recommends that as part of the “study review” phase, that the public provide comments or concerns regarding the study. The Company’s goal is for the Commission to approve a final scoping document.

YOU ARE FURTHER NOTIFIED that the Application is available for public inspection during regular business hours at the Commission’s office. These documents are also available on the Commission’s web site at [www.puc.idaho.gov](http://www.puc.idaho.gov). Click on the “ELECTRIC” icon, select “Open Cases,” and click on the case number as shown on the front of this document.

YOU ARE FURTHER NOTIFIED that all proceedings in this case will be held pursuant to the Commission’s jurisdiction under Title 61 of the Idaho Code.

YOU ARE FURTHER NOTIFIED that all proceedings in this matter will be conducted pursuant to the Commission’s Rules of Procedure, IDAPA 31.01.01.000 *et seq.*

#### **NOTICE OF INTERVENTION DEADLINE**

YOU ARE FURTHER NOTIFIED that persons who wish to intervene in this matter to obtain the rights of party (e.g., to file formal discovery, or present evidence, or cross-examine witnesses at a hearing) must file a Petition to Intervene with the Commission under the Commission’s Rules of Procedure 72 and 73, IDAPA 31.01.01.072 and .073. **Persons who wish to intervene as a party must file a Petition to Intervene no later than 21 days from the service date of this Order.** Such persons shall also provide the Commission Secretary with their e-mail address to facilitate further communications. After the intervention deadline runs, the Commission

### **ORDER**

IT IS HEREBY ORDERED that persons desiring to intervene in this matter shall file a Petition to Intervene no later than 21 days from the service date of this Order. Once the deadline has passed, the Commission Secretary shall prepare and issue a Notice of Parties.

IT IS FURTHER ORDERED that, after the Notice of Parties has issued, the Company, Commission Staff, and any intervening parties shall confer on or before September 1, 2021, regarding a proposed schedule for this matter.

IT IS FURTHER ORDERED that parties should continue to comply with Order No. 35058, issued June 3, 2021. All pleadings should be filed with the Commission electronically and shall be deemed timely filed when received by the Commission Secretary. *See* Rule 14.02. Service between parties should also be accomplished electronically. Voluminous discovery-related documents may be filed and served on CD-ROM or a USB flash drive.
