Boise, ID 83703

Dear Commission Secretary,

I am an Idaho Power customer and I want clean energy choices that will make it financially practical to go solar. I call on the Idaho Public Utilities Commission to ensure solar has a fair market valuation. This would help all Idahoans by creating resilient local grid systems, reducing transmission line impacts on wildfires and wildlife ecosystems, growing the clean energy economy, creating good-paying local jobs, and helping Idaho Power meet its 100% clean energy goals.
