RESOURCE PLAN AVOIDED COST)	
MODEL)	

On March 10, 2022, the Commission issued Order No. 35344 in Case No. IPC-E-21-35. The following change should be made to Order 35344.

Page 5, paragraph 1:

READS:

IT IS HEREBY ORDERED that the Company’s Petition for reconsideration and/or clarification is granted. The Company shall: (1) use NYMEX forwards prices as of October 15, 2021, for years 2022, 2023, and 2024 of the 20-year forecast; (2) use an average of year 2025 NYMEX forwards prices and year 2025 of the July 2021 vintage Platts forecast for year 2025 of its forecast; (3) use the July 2021 vintage Platts forecast for the remaining years of the forecast (years 2026-2014); and (4) submit the updated 20-year forecast as a compliance filing.

SHOULD READ:
