BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE PETITION
OF IDAHO POWER COMPANY FOR
AUTHORITY TO ESTABLISH A NEW
SCHEDULE TO SERVE
SPECULATIVE HIGH-DENSITY LOAD
CUSTOMERS

Case No. IPC-E-21-37

2140 LABS LLC'S PETITION TO
INTERVENE

COMES NOW 2140 Labs LLC ("**2140 Labs**") by and through its counsel of record, Givens Pursley LLP, and pursuant to this Commission's Rules of Procedure, Rule 71 IDAPA 31.01.01.71, hereby petitions the Commission for leave to intervene herein and to appear and participate herein as a party, and as grounds therefore states as follows:

1. The name and address of the intervenor is:

2140 Labs LLC
c/o Tom Merkle
6929 W. Ashland Drive
Boise, Idaho 83709

2. Copies of all pleadings, production requests, production responses, Commission orders and other documents should be provided as follows:

Elizabeth A. Koeckeritz
Givens Pursley LLP
601 W. Bannock Street
Boise, Idaho 83701
Email: eak@givenspursley.com

3. This Intervenor, 2140 Labs, is a small business dedicated to the mining of cryptocurrency in the State of Idaho, which energy costs will be directly affected by the proposed schedule. Therefore, 2140 Labs claims a direct and substantial interest in this proceeding in that the outcome of Idaho Power's proposed rate schedule specific to high-density load customers will affect 2140 Labs.

4. 2140 Labs intends to participate herein as a party and, if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

5. Without the opportunity to intervene herein, this Intervenor would be without any means of participation in this proceeding, which may have a material impact on the profitability of cryptocurrency mining due to the cost of electricity purchased from Idaho Power.

WHEREFORE, 2140 Labs respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate.

Dated: December 16, 2021.
