**COMES NOW**, Petitioner GeoBitmine LLC, by and through its undersigned attorney and moves this Commission for an order granting GeoBitmine and additional six days (from August 31, until September 6) in which to lodge its reply comments. GeoBitmine requests this extension because much of the short time frame (seven days) allotted by the Commission for it to lodge Reply Comments has been consumed by other prior cases with pressing deadlines making counsel for GeoBitmine unavailable to devote the time necessary to prepare thoughtful and thorough Reply Comments.

Idaho Power and the PUC Staff have both, through their counsel, stated they have no objection to the granting of this Motion.

Dated this 26<sup>th</sup> day of August 2022.
