2. Idaho Conservation League claims a direct and substantial interest in this proceeding as a customer and on behalf of our members who are customers of Idaho Power. As Idaho's largest state-based conservation organization, we have approximately 11,000 members, most of whom are residential customers of Idaho Power. ICL's Boise headquarters is a Schedule 9 Idaho Power customer and our Ketchum field office is a Schedule 7 customer. ICL and our members have a direct and substantial interest in ensuring Idaho Power provides voluntary, fair-priced, and easily accessible programs that allow customers to choose clean options in order to meet our organizational goals and to meet our member's needs. ICL's intervention will respond directly to the issues raised in Idaho Power's application and thus will not unduly broaden the issues.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependent upon the nature and effect of other evidence in this proceeding. If necessary, ICL may introduce evidence, be heard in argument, and call, examine, and cross-examine witnesses. ICL may seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 21th day of December, 2021.

Respectfully submitted,
