SUBJECT: IN THE MATTER OF IDAHO POWER COMPANY'S APPLICATION TO EXPAND OPTIONAL CUSTOMER CLEAN ENERGY OFFERINGS THROUGH THE CLEAN ENERGY YOUR WAY PROGRAM; CASE NO. IPC-E-21-40.

On December 2, 2021, Idaho Power Company ("Company") applied for authority to expand its optional clean energy offerings. The Company seeks to (1) rename the existing Schedule 62—Green Power Purchase Program Rider (optional) to Clean Energy Your Way; (2) maintain and expand procurement options for the renewable energy certificate ("REC") offering under the name Clean Energy Your Way-Flexible; (3) establish a regulatory framework for a future voluntary subscription green power service offering named Clean Energy Your Way-Subscription; (4) offer a tailored renewables option to the Company's largest customers (Special Contracts and Large Power Service) named Clean Energy Your Way-Construction; and (5) procure associated program renewable resources outside the Commission's current competitive bidding requirements. The Company requests its Application be processed under Modified Procedure and a procedural schedule be established that would process this matter by April 2022.

On January 31, 2022, the Commission issued a Notice of Application and Notice of Intervention Deadline. Order No. 35304. Order No. 35304 directed Staff to confer with the parties regarding the procedural schedule after the Notice of Parties issued.

The Industrial Customers of Idaho Power ("ICIP"), Idaho Conservation League ("ICL"), Clean Energy Opportunities ("CEO"), City of Boise City ("Boise City"), and Walmart petitioned to intervene. The Commission granted their intervention. *See* Order Nos. 35285, 35301, 35311, and 35320.

STAFF RECOMMENDATIONS

After conferring with the parties in this case, Staff recommends the Commission issue a Notice of Modified Procedure establishing a May 12, 2022, public comment deadline and a June 2, 2022, Company reply deadline.
