SUBJECT: IN THE MATTER OF IDAHO POWER COMPANY'S APPLICATION FOR AUTHORITY TO MODIFY SCHEDULE 79—WEATHERIZATION ASSISTANCE FOR QUALIFIED CUSTOMERS; CASE NO. IPC-E-22-15.

On May 4, 2022, Idaho Power Company (“Company”) applied for Commission authorization to modify Schedule 79—Weatherization Assistance for Qualified Customers (“Schedule 79”), to include re-weatherization projects. The Company has experienced an increase in carryover funds during the past couple years due to COVID-19, supply chain issues, and labor and staffing shortages. If approved, the Company would report project results in its annual Demand-Side Management report. The Company requests its application be processed by Modified Procedure.

On June 3, 2022, the Commission issued a Notice of Application and Notice of Intervention Deadline. Order No. 35424. The City of Boise City intervened.

STAFF RECOMMENDATION

After conferring with the Parties, Staff recommends the Commission issue a Notice of Modified Procedure establishing an August 18, 2022 public comment deadline and a September 1, 2022 Company reply deadline.

COMMISSION DECISION

Does the Commission wish to issue a Notice of Modified Procedure establishing an August 18, 2022 public comment deadline and a September 1, 2022 Company reply deadline?
