Idaho Power Company (“Idaho Power” or “Company”) hereby respectfully submits to the Idaho Public Utilities Commission (“Commission”) this Errata to the Company’s Supplemental Application filed in this matter on June 30, 2023, and the Direct Testimony of Theresa Drake (“Drake Testimony”) filed contemporaneously therewith, to correct a labeling error to help ensure clarify of the record as follows:

1. The Direct Testimony of Robert Z. Thompson (“Thompson Testimony”) accompanying the Company’s initial Application filed on March 15, 2023, included three exhibits labeled Exhibit Nos. 1 through 3 based on the exhibit numbers assigned by the Commission Secretary (Exhibit Nos. 1-100) in the Notice of Parties dated June 8, 2023.

As a result, pursuant to Commission Rules of Procedure 231<sup>1</sup> (IDAPA 31.01.01.231.03), any subsequent exhibits offered by the Company should have been numbered successively.

2. The three exhibits accompanying the Drake Testimony, however, inadvertently used the same numbers as the Thompson Testimony exhibits, Exhibit Nos. 1 through 3, instead of continuing consecutively as Exhibit Nos. 4 through 6.

3. Though not material to the Company's Supplemental Application or request in this proceeding, for the sake of clarity of the record the Company has relabeled the Exhibit Nos. 1 to 3 of the Drake Testimony, respectively, as follows: NEEA EM&V Report (Exhibit No. 4), Idaho Power's Net Market Effect NEEA Savings 1997 – 2022 (Exhibit No. 5), and the NEEA EM&V Report Addendum (Exhibit No. 6).

4. Exhibit Nos. 4 through 6, which are being provided with this Errata to replace Exhibit Nos. 1 through 3 initially filed with the Drake Testimony on June 30, 2023, rectify the exhibit numbering issuing only and do not otherwise change the information set forth therein.

5. In addition, as a result of this update, the Company provides the following substitutions to incorporate within the Supplemental Application and the Drake Testimony for consistency and clarity as follows:

- Replace the references to Exhibit No. 1 with Exhibit No. 4 at:
  - Pages 3 and 5 of the Supplemental Application, and
  - Page 3 (line 11) and page 7 (line 20) of the Drake Testimony.
- Replace the references to Exhibit No. 2 with Exhibit No. 5 at:
  - Page 3 of the Supplemental Application, and
  - Page 3 (line 12) and page 6 (line 8) of the Drake Testimony.

---

<sup>1</sup> See also IDAPA 31.01.01.230 and 31.01.01.267.

- Replace the references to Exhibit No. 3 with Exhibit No. 6 at:
  - Pages 3, 5, and 6 of the Supplemental Application, and
  - Page 3 (line 14), page 12 (line 21), and page 15 (line 4) of the Drake Testimony.

These updates do not change anything else about the Supplemental Application or the Drake Testimony.

Respectfully submitted this 14<sup>th</sup> day of July 2023.

---
