Re: Case No. IPC-E-23-11
Idaho Power Company's General Rate Case

Dear Ms. Noriyuki:

Because parties to this proceeding believe a settlement has been reached in principle, Idaho Power and the Idaho Irrigation Pumpers Association have agreed that responses do not need to be filed related to the Idaho Irrigation Pumpers Association, Inc's Third Set of Data Requests dated September 29, 2023. Instead, the Company will focus on preparing settlement documents for party review and filing with the Commission.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Lisa D. Nordstrom
