Please provide copies of all pleadings, production requests, production responses, Commission orders, and other documents to the names and addresses above. In the interest of conserving natural resources and reducing the costs to all parties, all documents and other filings may be submitted via electronic mail in accordance with IPUC Rules 31.01.01.063.02-03 and Order 35058.

2. CEO is a non-profit corporation incorporated under the laws of the State of Idaho.

3. CEO has a direct and substantial interest in this proceeding. The organization was founded with a mission to bring problem-solving rigor and solution-focused approaches to advance clean energy and better serve the long-term interests of Idahoans and future generations. The need to bring these skills and approach into clean energy related dockets was an impetus for founding the organization. CEO has intervened and actively participated in past dockets, including the currently open cases of IPC-E-23-14 and IPC-E-21-42. CEO has a direct and substantial interest in continuing to participate in dockets relating to rates and the valuation of energy resources through this proceeding. Without an opportunity to intervene herein, CEO would not have an adequate means of fully participating in the determination of matters related to those issues. CEO aims to contribute from a perspective informed by collaborative problem-solving approaches and multiple stakeholder interests.

4. CEO's participation as an intervenor in this proceeding will not unduly broaden the issues or delay the proceeding because CEO's interest is directly related to the subjects addressed in Idaho Power's application. CEO's involvement in this proceeding will not be duplicative of other parties in this proceeding because no other party adequately represents CEO's interests.

5. CEO intends to fully participate in this matter as a party. The nature and quality of CEO's intervention in the proceeding is dependent upon the nature and effect of other evidence in this proceeding. If necessary, CEO may introduce evidence, be heard in argument, and call, examine, and cross-examine witnesses. CEO intends to seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, CEO respectfully requests the Commission grant this petition.

DATED this 8th day of June, 2023.

Respectfully submitted,

A handwritten signature in blue ink that reads "Kelsey Jae".
