Re: In the Matter of the Application of Idaho Power Company for Authority to Increase its Rates and Charges for Electric Service in the State of Idaho and for Associated Regulatory Account Treatment. Idaho Public Utilities Commission Case No. IPC-E-23-11

Ms. Noriyuki:

The NW Energy Coalition (“NWEC”) submits this letter in lieu of testimony in response to Idaho Public Utility Commission (“Commission”) Order No. 35985 in docket IPC-E-23-11. On October 27, 2023, Idaho Power Company (“Company”) filed an all-issue, all-party Stipulation and Settlement, to which NWEC was a signatory. NWEC continues to support the settlement as filed, with a great emphasis on the rate design aspects of the agreement.

NWEC respectfully requests the Commission approve the Stipulation and Settlement as proposed. As an all-issue, all-party proposal, NWEC does not anticipate testimony in opposition to the settlement agreement, though reserves the right to submit rebuttal testimony in accordance with the procedural schedule as directed in Order No. 35985.

Thank you for the opportunity to participate.

Sincerely,

A handwritten signature in black ink that reads "F. Diego Rivas".
