Pursuant to Rules 71-75 of the Idaho Public Utilities Commission’s Rules of Practice and Procedure, and the Notice of Intervention Deadline (Order No. 35825), Walmart Inc. Please provide copies of all pleadings, production requests, production responses, Commission orders, and other documents to the names and addresses above. In the interest of conservation and cost reduction, please provide hard copies of pleadings, testimony, and briefs only. All other documents may be provided via electronic mail in accordance with IPUC Rules 31.01.01.063.01-.02.

2. Walmart is an American multinational retail corporation with stores in all fifty (50) states and Puerto Rico. Walmart operates 27 retail units and employs over 9,000 associates in Idaho. In the fiscal year ending 2023, Walmart purchased over \$553 million worth of goods and services from Idaho-based suppliers, supporting over 8,000 supplier jobs.¹ Walmart is also a large commercial customer of Idaho Power Company (“Idaho” or “Company”), owning and operating approximately 16 retail store and related facilities in the Company’s territory. Collectively, these facilities consume over 50 million kWh of electricity annually.

3. Walmart was not able to timely respond to the Idaho Power’s Application due to its internal review process. After thoroughly reviewing the application and the potential impact on Walmart’s power costs, Walmart determined that it would be in its best interest to intervene in this case. Walmart believes that its intervention will not prejudice any parties to this matter or

otherwise delay this matter. Walmart agrees to accept the record and the schedule for this case as it stands.

4. Walmart has a direct, immediate, diverse and substantial interest in the outcome of this case, and the interests of Walmart will not be adequately represented by any other party to this proceeding. A Commission decision in this proceeding will have a direct, material impact on the electric rates and terms and conditions of service Walmart will be subject to as a result of this case.

5. Walmart anticipates participating in this matter to the extent necessary to ensure its interests in Idaho are protected, with full rights of a party to perform discovery, submit testimony, examine witnesses, participate in hearings and present evidence on any issues raised in this matter.

6. Walmart has not yet determined the extent of its participation or the precise nature of the relief it will request but the interests of justice and the orderly and prompt conduct of this proceeding will not be impaired by the grant of Walmart's petition to intervene. Neither will Walmart's participation unnecessarily broaden the issues or burden the record in this proceeding.

WHEREFORE, Walmart respectfully requests that the Commission grant its Petition to Intervene in this matter with full party status.

DATED this 3rd day of August 2023.
