Comment: "My husband and I are both retired and on fixed incomes. \$11.61 may not seem a lot to you, but an annual increase of \$139.32 is a lot to us. And your proposed monthly increase is only an estimate.

You state that your customer base has increased by about 23% - that is a large increase in revenue.

With the current rate of inflation, folks on fixed incomes are struggling to make ends meet.

Please consider exempting customers on fixed incomes from rate increases.

Respectfully,

Jan Barnard
