Parma, ID 83660

Name of Utility Company: Idaho Power

Case ID: IPC-E-23-11

Comment: "I am a disabled senior citizen on fixed income. I am on level pay with Idaho Power and my power bill has gone up \$60.00 since the last rate case and I cannot afford any more increases. The Company needs to tighten its belt like the rest of us. Do not give them any increase until they can show they are cutting back on expenses elsewhere. "
