Name of Utility Company: Idaho Power

Case ID: IPC-E-23-11

Comment: "Hello,

I find it amazing that the PUC rubber stamps Id Power rate increases year after year after year. Screwing solar owners, and their standard customers. Do you look at the salaries and bonuses the execs make? It would be nice if the PUC for once said NO! Average people are hurting these days with rising costs and I can't imagine ID Power needs the extra income every single year.

Regards,

Mike"
