Comment: "I'd like to ask the PUC to deny the request by Idaho power to raise residential rates by 10.3%. Idaho power should continue to look for renewable energy like wind/solar/ocean waves and not rely on natural gas. https://hasanjasim.online/the-motion-of-waves-is-converted-into-electric-power-by-a-spine-like-floating-generator/?fbclid=IwAR1kym-OugopY4mh3S1abT67SRQaZ_-3ulhfAQl6Lk6ReYUbfNGUvMxLTWA Inflation continues to take a huge bite out of our budget and it's

hard to make ends meet now. With the generous snowpack we should not need to rely so much on gas. I think they can hold off and see where we are next year. "

Comment: "Please do not increase the rates. Idaho families cannot afford it. This is NOT the time to burden families financially. "
