RE: Case No. IPC-E-23-12

Dear Commission Secretary:

Attached for electronic filing please find Staff's Confidential Report on Idaho Power Company's Net Power Supply Expenses to be recovered during the 2023-2024 PCA year. The Commission directed Staff to file this report within six months of its final order in Case No. IPC-E-23-12. Order No. 35804 at 8. Due to the nature of the information discussed herein, Staff requests this report be filed confidentially and only made available to the Company and any party that has a signed protective agreement.

Please feel free to contact me directly with any questions you might have about this report.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dayn Hardie", with a long, sweeping underline.

Dayn Hardie
