

# Petition to Idaho Public Utilities Commission

Case # IPC-E-23-14 & IPC-E-23-11

- **I oppose Idaho Power's attempt to make rooftop solar less affordable** by reducing export credits and raising fixed fees.
  - Please **reject these proposals**.
  - **Solar owners deserve fair compensation** for the clean, local energy they provide to the grid.
  - Our utilities and regulators should be **supporting the adoption of rooftop solar**, not trying to hinder it.
-
