NEWS RELEASE: Comments are being accepted on Idaho Power's Integrated Resource Plan.

BOISE (Dec. 18, 2023) – The Idaho Public Utilities Commission is accepting written comments until mid-February on Idaho Power's integrated resource plan (IRP).

The IRP spells out how the utility will meet forecasted energy demand using both supply and demand side resources to ensure reliable service to customers.

The commission is accepting written comments on the IRP until Feb. 15, 2024. Comments are required to be filed through the commission's website or by e-mail unless computer access is not available. To comment using the commission's website, please visit puc.idaho.gov and click on the "Case Comment Form" link that is on the upper left side of the page. Please complete the form using case number IPC-E-23-23. To comment using e-mail, please send comments to the commission secretary and the parties listed below. Those submitting comments using e-mail are required to provide their name, address, and case number IPC-E-23-23.

If computer access is not available, comments can be mailed to the commission and the parties listed below. Those submitting comments are required to provide their name, address and case number IPC-E-23-23. Submitted comments constitute a public record, and are available for public and media inspection.
