Comment: "Dear Idaho Public Utilities Commission Staff and Commissioners, We are writing to offer support for Idaho Power's filing to change the structure of its Flex Peak Program. Veolia Water Idaho participates in the Commercial and Industrial Flex Peak Program and appreciates Idaho Power and the Commission considering reducing the Incentive Adjustment penalty. We believe it is just good sense to encourage customers to participate in this important program at whatever level they can on any particular day. Veolia Water Idaho stands in support of this effort. We appreciate the time and effort put forth by the Commission and Staff to consider this impactful adjustment.

Sincerely,  
Cathy Cooper, P.E.  
Director of Engineering  
Veolia Water Idaho"

RE: Case No. IPC-E-23-24

Dear Idaho Public Utilities Commission Staff and Commissioners,

We are writing to offer support for Idaho Power's filing to change the structure of its Flex Peak Program.

Veolia Water Idaho participates in the Commercial and Industrial Flex Peak Program and appreciates Idaho Power and the Commission considering reducing the Incentive Adjustment penalty.

We believe it is just good sense to encourage customers to participate in this important program at whatever level they can on any particular day.

Veolia Water Idaho stands in support of this effort.

We appreciate the time and effort put forth by the Commission and Staff to consider this impactful adjustment.

Sincerely,

Cathy Cooper, P.E.  
Director of Engineering  
Veolia Water Idaho
