---

On May 28, 2024, the Commission issued Order No. 36197, approving the Power Purchase Agreement (“PPA”) between Idaho Power Company (“Company”) and Pleasant Valley Solar 2 (“PVS 2”), LLC.

On June 18, 2024, the Company submitted a Compliance Filing (1) to update Schedule 33 to include the parameters necessary to calculate Renewable Capacity Credit (“RCC”) payments of PVS 2 generation to Brisbie, LLC; and (2) to provide the RCC payment structure necessary to calculate monthly adjusted RCC payments for PVS 2 included as Attachment 2 - Renewable Capacity Credit Payment Structure for Pleasant Valley Solar 2 in the Compliance Filing. The Company made this compliance filing spontaneously based on prior Commission guidance related to Clean Energy Your Way Construction agreements and the Energy Sales Agreement between the Company and Brisbie, LLC that was approved in Case No. IPC-E-21-42.

Staff reviewed the filing and, at the Commission’s July 2, 2024, decision meeting, presented a Decision Memorandum recommending that the Commission approve the updates to Schedule 33 and the RCC Payment Structure for PVS 2 contained in the Compliance Filing.

**COMMISSION FINDINGS AND DECISION**

The Commission has jurisdiction over the Company’s Application and the issues in this case under Title 61 of the Idaho Code including *Idaho Code* §§ 61-301 through 303. The Commission is empowered to investigate rates, charges, rules, regulations, practices, and contracts of all public utilities and to determine whether they are just, reasonable, preferential, discriminatory, or in violation of any provisions of law, and to fix the same by order. *Idaho Code* §§ 61-501 through 503.

Having reviewed the record, including the Company’s submission and Staff’s recommendation, we find that the updates to Schedule 33 and the RCC Payment Structure for PVS 2 contained in the Compliance Filing are reasonable and consistent with those approved for Pleasant Valley Solar 1 in Order No. 35958.

**ORDER**

IT IS HEREBY ORDERED that the Company’s June 18, 2024 is accepted and the updates to Schedule 33 and the RCC Payment Structure for PVS 2 contained therein are approved.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date upon this Order regarding any matter decided in this Order. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. *Idaho Code* § 61-626.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho, this 26<sup>th</sup> day of July 2024.
